- Aku & Kamu: Telling the Time (Issued Free) -

Telling the Time

Learn to tell the time with Aku & Kamu.

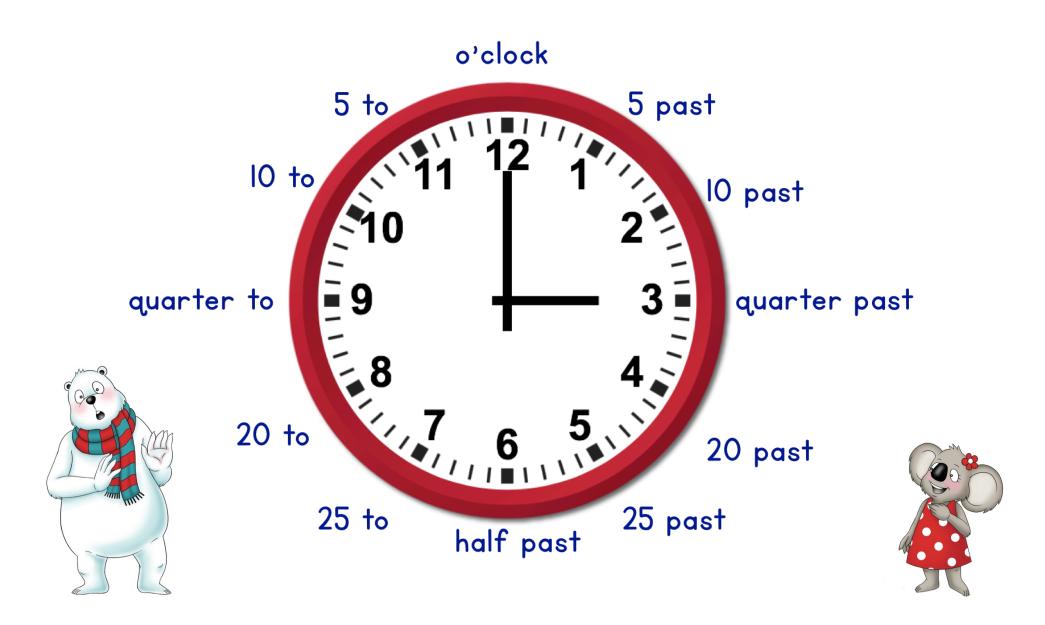

You can also make your own clock to help you learn.

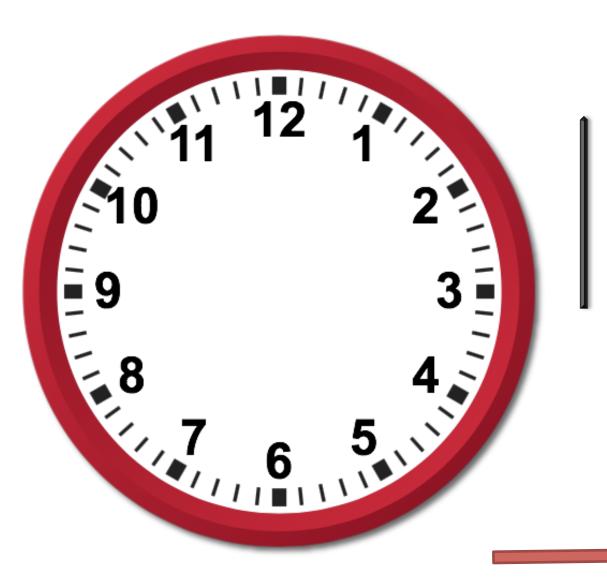

Kamu, did you know that there are 24 hours in a day and 60 minutes in an hour?

Yes, Aku. I like clocks. Did you know that the little hand is the hour hand and the long hand is the minute hand? Let's learn how to tell the time together.

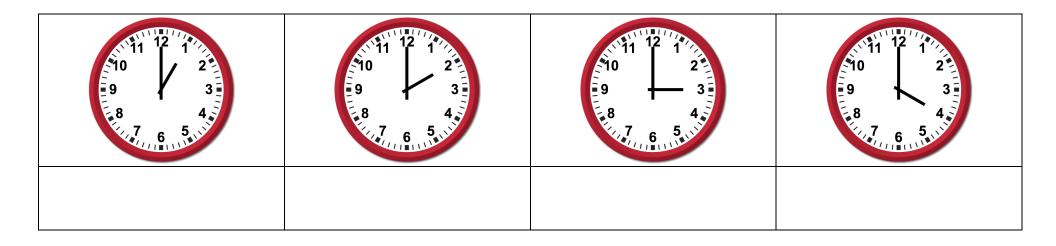

XXXXXXXX

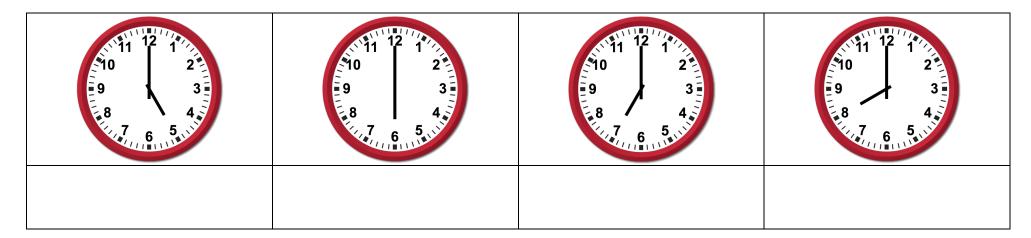

Ask a parent to help you cut out the clock face and hands.

You can use this to help you answer the questions and learn about how to tell the time.

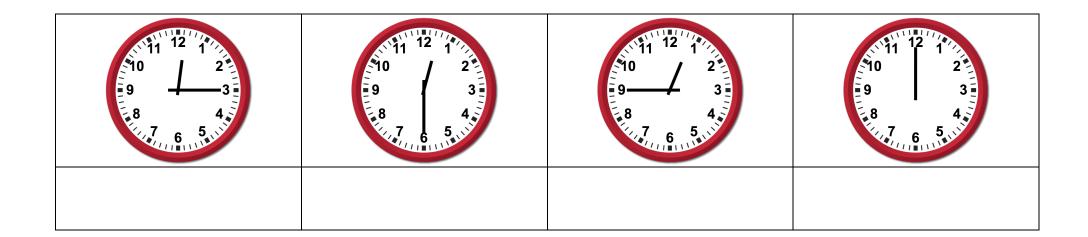

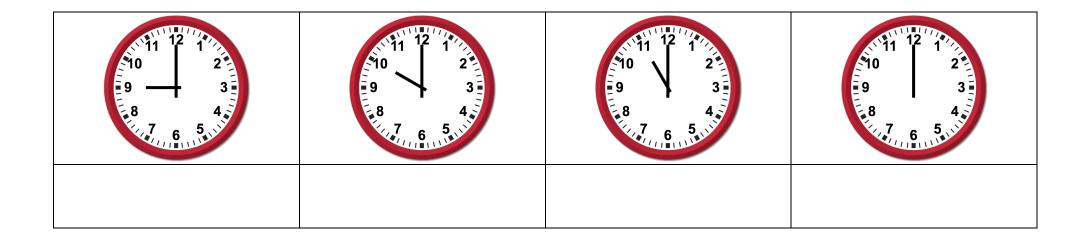

Can you tell the time on these clocks?
